MRS. MILTON RAGSDALE

The saying, "Like mother, like daughter," certainly holds true in this family. Mrs. Bishop's daughter, Mrs. Milton Ragsdale, attended the University of Texas and has her B. A. and M. A. degrees. Mrs. Ragsdale majored in government and was employed by the Eighth Regional War Labor Board in Dallas. She is now in Washington, D. C., and is in the Policy Division of the National War Labor Board.

Honoring Mrs. Selma L. Bishop

Mrs. Selma Bishop, who has taught at Abilene High School for sixteen years, is one of the most beloved teachers of the faculty. Mrs. Bishop attended the University of Texas, where she secured both her B. A. and M. A. degrees. Since she teaches English and takes a special interest in creative writing, she has sponsored such clubs as Ready Writers and National Essay League of America, and has published poems of her own. She takes a special interest in her daughter, Eleanor, who is a graduate of Abilene High School. Mrs. Bishop takes an active part in church work and is a valuable member of American Association of University Women and the Delta Kappa Gamma, an honor organization for women teachers. She is the wife of Mr. John A. Bishop.

MRS. SELMA L. BISHOP

MRS. SELMA L. BISHOP

Because of our appreciation of the high ideals, worthy accomplishments, and genial guidance of one who faithfully serves dear old Abilene High—one who inspired us to greater things and has planned for us and trusted us, we lovingly dedicate this—the 1946 Flashlight—to Mrs. Selma L. Bishop.

Dearest Pat,

Will we be
This is the year for reconversion, and our annual takes on a peace-time appearance. Pleasant colors and padded covers are back to brighten our book. Although the year 1946 brings back many new and novel elements in our daily life, we have not reached into the future for a theme. Instead, we have taken a standby of Eagleland—"Old Baldy," our stadium eagle—as the theme of our book, and doesn't he deserve it! As enduring as Eagle Spirit, "Old Baldy" has taken distant journeys and undergone weird experiences, but still he remains triumphantly—our Eagle. We hope this book has captured the scenes and glimpses of life at Abilene High School that you will want to remember in later years. As for a rollcall of this annual's sections, you find Administration, Classes, Favorites, Athletics, Clubs, and Advertisements—all with a general sprinkling of popular features.

The best so best's
opening you always
get in. Peace lot of
luck and success

FOREWORD

Dictating to Mrs. Sheppard

"Enter to learn, go forth to serve"

Burn this thought into your mind and soul so deeply that you will never forget the underlying principle upon which Abilene High School is founded.

My prayer to Almighty God is that you may allow Him to give you strength, courage, ambition, and determination to understand and execute this noble motto of all true Eagles.

MR. DON B. WEATHERBY, B. A., M. A.
Assistant Principal

In a country where the form of government is a democracy, the underlying principles must undergo a greater test in the period immediately following the close of a war than during the conflict itself.

The problems that we now face surely make us realize that we must put forth great effort to win peace.

May we put aside our personal differences and work together to push the cause of democracy ever forward.

"May I help you?"

Dear Students:

The land today is filled with youth movements permitted and even promoted by adults. This eagerness to give to boys and girls a part in re-shaping the world in which they are living gives you an opportunity to do all the wise and good deeds for which your ability and training have fitted you. In your thinking and planning for tomorrow, may your broad humanity lead you to consider not just yourself, but all the peoples of the world.

Sincerely yours,

In Memoriam

BILLY WAYNE WILSON

Born at Burkett, Texas

January 15, 1930

Died of infantile paralysis

October 25, 1946

While he was in school, Billy Wayne was especially interested in mathematics, history, and shop. He enjoyed all kinds of sports.

In memory of our young friends who were taken from us in the fall with the passing of the flowers, we paraphrase Bryant's lines:

*In the deep warm earth we laid them
as the trees were casting leaf,
And we wept that sons so precious
were allotted lives so brief;
Yet truly fitting was it that these
classmates of ours
So young and so promising, should
perish with the flowers.*

Well, fellows, I know that you will always remember this season not for the games won or lost, but for the lessons learned. One can always hold his head up when he does his best and plays for the good of the team. I feel that we learned the true value of team spirit and what was meant by "Have no regrets and no enemies" at the end of a game.

The best of luck to all of you, and may you always keep the same high standards as you go through life.

Sincerely yours,

JAKE

COACH W. K. BENTLEY

FOOTBALL

Dear Football Fellows:

I should like to express my sincere appreciation for having the honor of being chosen football sweetheart this year. It is one of the highest honors I have ever received. I will do my best to make you proud of me, as I am of you. I am proud of the good, clean sportsmanship and co-operation you have shown this year. The coaches should be congratulated on producing such fine spirit and such a wonderful team.

Sincerely yours,

BILLY MURPHEY

Captain

Back 156

"Murph" was judged outstanding back of the squad and one of the outstanding backs of the District, winning All-District by unanimous decision. He became an exceptionally hard runner to tackle, and developed great passing and kicking ability. He won All-State honorable mention.

GLENN GREEN

Captain

Guard 155

Green governed the offense as well as the defense of the team. Since he was a linesman, this proved that he must have had unusual leading ability, for most quarterbacks rule from the backfield. He became renowned for his vicious tackling and blocking and earned second team All-District.

H. D. TERRY

Back—142

Perry, one of the speediest and shiftest backs in the State, was repeatedly outstanding on end runs. His star shone at Big Spring, where he won the ball for being the best player.

That's all I can find out about the team. They were a good team and they played well. I hope they win the state championship.

DAVID BOWERS

Guard 165

Granite Foot—a steady and dependable player, obtained renown as a permanent, 'stick-to-it' blocker. He missed several games of the year because of a mid-season injury.

NORMAN DAULTON

Tackle 192

SEASON REVIEW

BY ANDREW BOWERS

ABILENE 7 - ODESSA 18

In the first conference game of the season the Abilene Eagles made a better showing than was expected of them. They rolled up twice as many first downs as the Broncos, though the score was in favor of Odessa. The first half oozed along with Odessa making the only touchdown. The kicking of Ray Perry stood out as the Eagles' greatest individual achievement.

"Where do I go from here?"

FOOTBALL

Game Captains

The second half started off with a bang as Odessa chalked up six points and the Eagle plays began to click with professional precision. The Broncos were on the defense for the rest of the game, even though they managed a long touchdown run on a trick play. The Eagles threatened often, but never crossed the double stripe more than once—this on a sixty-yard drive. When the last whistle blew, the Broncos stumbled off the field with an 18-7 victory that they felt very lucky to have.

ABILENE 27—MIDLAND 6

The first half of the Abilene Midland game turned out to be one of the most exciting exhibitions of football and teamwork in the District. In the opening minutes of the game Midland completed a long pass for a touchdown. This set off Eagle supporters worrying, and when the first quarter brought no decisive action they really began to get uneasy. In the second quarter, things began to pop. H. D. Terry started on an end-run that did not stop till thirty yards and a touchdown were marked up. Only one or two Bulldogs came close to Terry after the Eagle line, led by Daulton, had cleared the way. Before the crowd had quit yelling over this brilliant exhibition of team work Terry caught a pass from King and squirmed forty yards to the eleven-yard line. Murphey powered the remaining distance for the touchdown. Only a few minutes were left in the first half when this last touchdown was made, yet the mighty Eagle team rolled over the Bulldogs for another tally before the whistle blew.

After the excitement and spectacular playing of the first half, the quite mediocre second half—which would have been excellent football at any other time—seemed uninteresting. Ted Hardin made another Eagle touchdown in the last quarter, and Duane Hendley made his third place kick of the game—a three out of four record.

Warming Up

FOOTBALL

ABILENE 45—LAMESA 6

The Warbird Warriors gained another victory from the Lamesa Tornadoes to make their second conference win of the season. The Eagles' leading scorer, H. D. Terry, made eighteen points, Lloyd King stepped across the double stripe twice, and Billy Murphy and Ted Hardin once each.

The night air was cold, and the Golden Tornadoes could not seem to keep up with the speedy Eagles. It was not long until the Abilene forward wall had ripped the shivering Lamesa eleven into shreds, and the Eagle backs were stepping off yard after yard. The Tornadoes did manage a long touchdown run against the Eagle substitutes, who were experimenting with new types of plays. The game ended 45 to 6 in favor of the Abilene Eagles.

ABILENE 7—SWEETWATER 13

The Sweetwater game was the most heartbreaking loss of the season, because the Eagles rode the Mustangs like seasoned bronc busters for almost all the playing time. Just before the intermission, Green was injured while making one of his famous bone-rattling tackles and had to leave the game. As Bowers' broken foot had kept him from playing, Green's absence left the middle of the line without its regular playing experience.

When the second half started, King did not appear because of what the doctor feared was a broken arm. King had been quarterbacking in Green's stead and had been the middle linebacker, so the Eagles' most experienced players were missing from the center of their defense. Until the Eagle substitutes could get the feel of things, the Mustangs made two quick touchdowns which put them ahead 13 to 7. One touchdown and an extra point would win the game, and Billy Murphy led the drive which went after it. With the substitutes playing great football, the Eagles were an irresistible force. In a matter of seconds a touchdown would be made, but time was against them. The game ended leaving the Eagles nine yards and one play short of the winning score.

A lean pair of heels

FOOTBALL

ABILENE 32 BIG SPRING 7

COACH JEROME VANNOY

A patient, dependable, well-liked, school-spirited coach

The Steers did not have the football team to stop the Eagles, who ran wild in this decisive conference victory. Gains of twenty or thirty yards were commonplace. Murphey became the outstanding back, making four out of the five Abilene touchdowns. To set up the first score of the game, an Eagle fell on a Big Spring fumble. Only four plays were needed to drive the thirty-four yards that gave Abilene the first six points.

Throughout the game the mighty Eagle line, in full strength for the first time since the Odessa game, jarred the ball loose from Steer runners nine times and recovered six. One of the best examples of team collaboration was H. D. Terry's intercepting a pass and returning it behind deadly blocking for a 55-yard touchdown. A play which showed the power of the Eagle offense was on a try for a first down. The ball was snapped to Murphey, who used the blocking of Green, Bowers, and Reilly to get through to the line. From there he powered through the Steers' entire secondary for a 46-yard touchdown run. This game proved that the Eagles had a great offensive club when they were all together.

Good blocking—good running—touchdown!

FOOTBALL

ABILENE 14—SAN ANGELO 26

When the Bobcats and Eagles met in the last game of the season, the fur flew and feathers fluttered. From the stands the Eagles looked to be the better team by far, because they were totaling twice as many yards as the Bobcats and getting many more first downs. San Angelo's pass-completing and Abilene's fumbling made the difference in score.

After the first kick-off, the Cats were quick to make a touchdown, but the Eagles made one just as quickly when they took advantage of a short punt and drove thirty-four yards to even the score. Angelo made another counter near the end of the half, and the Eagles proceeded to even things up again, but fumbled the ball on the Bobcats' seventeen. That was the last chance to score in the first half.

In the second half the rock wall line of the Eagles held their opponents to only seven yards running. Passing was the only method the Bobcats could use to make yardage, but they managed two touchdowns anyway. Again and again Abilene would drive deep into pay dirt country but lost the ball before they reached the goal. Lloyd King and Duane Henaley were a great pass-completing combination for Abilene, and with the help of Billy Murphey the Eagles took a startling toll of enemy ground. They made one touchdown by power alone but wasted much scarce time when the over anxious players charged off side. The game ended with the ball in San Angelo's possession and the Eagles striving to get it.

The invincible Eagles do it again

FOOTBALL

Coach William Lawson

"Shorty," as Coach William Lawson is familiarly called by everyone, came to Abilene High School for his first year of teaching and coaching experience. He taught history and physical education classes, and coached football, basketball, and boxing. He was successful in all his coaching activities, with his football squad making good showings, the basketball team he helped coach going to the State Tournament, and his boxing team winning all the tournaments that it entered. His boxing team did not get the publicity that he would have had it get because "going to the fights" was still pretty much of a novelty. Since Shorty won the bantamweight championship of Tennessee in 1942, he worked a great deal with the boxers and other interested men to make boxing a major sport.

DISTRICT TOURNAMENT

After the Eagles won the District tournament in the Eagle's Nest, there was no doubt that the Abilene team was the best on the court. During the opening game against San Angelo, the first half looked as if the Eagles were going to have more than their hands full, but when they came back from the half time rest, they so outstripped the Bobcats that the score was doubled in favor of the Eagles. They also played Lamesa and Sweetwater to win the District Championship, but had no trouble in winning by a safe margin both times.

IN DISTRICT TOURNAMENT

The El Paso Tigers, depending upon Garland was tendency as determined to win, but proved to be more than the Eagles could handle. They played the Abilene team in one of the most exciting games of the season, with the Eagles yielding one game by two points and winning the other two by one or three. When the starting time of the last game arrived, both teams were so nervous that nearly all the fans could see that the cooler team would be the winner. Before the third quarter ended, two of the excited and ruffled Tiger mainstays had fouled out, leaving the Eagles more than a fifty-fifty chance to win. Still the Tigers fought hard and could be beaten by only three points. Basketball ability and cool deliberation showed in the winning team, the Abilene Eagles.

STATE TOURNAMENT

The Eagles were able to swoop down on Austin with a good team and many loyal supporters even with two of their most important wingfeathers left behind in Abilene. Big Red Weaver and Hasting Billy Murphey were in a sick bed. Weaver showed up in time to play in the game with a six foot nine inch Greenville star was tied to his most impressive game of the Greenville season. After holding the ball and killing time during the last minutes of the game Greenville managed to win by one tied game. Since Greenville later won third place in the State and beat the Eagles by only one tied game the Warbirds left Austin with one of the top ranking teams in the State.
